A Letter from the Principal

I would like to welcome everyone back to the 2017-2018 school year; we are excited to be back working with parents and students in an attempt to continue offering the opportunity for more students to grow in faith, to develop their academic gifts, and to answer the call to server others. We are so thankful for the generosity of our donors, who continue to help us meet the needs of our growing community.

We offer an education with a foundation in the Catholic faith, allowing our young people to maximize their God-given abilities. A Norfolk Catholic student can expect a challenging academic curriculum, individual attention from caring educators, and an emphasis on spirituality and service to others. They will make friends and build lasting relationships along the way. Norfolk Catholic is blessed with an outstanding faculty, and a caring and dedicated staff and administration. The adults in our building care about young people, their educational, social, and spiritual needs. Please take some time to visit our website @ www.sacredheartnorfolk.com and learn more about the programs offered @ Norfolk Catholic. For more information please call the office @ (402) 371-2784.

Many times throughout the year, parents have questions about something going on at school. Please communicate with us. We strive to work together with you. Certain situations in school life may be a problem between teacher and student. Understand that there is a chain of command we should follow. If your son or daughter has concerns with a teacher, they first need to communicate with the teacher and let him/her know how they feel. Open lines of communication often takes care of the problem. If you are unhappy as a parent, please discuss the situation with your child and then with the teacher. The next step would be to go to the Principal, (Sacred Heart, Bill Lafleur; and Norfolk Catholic 7-12 grades, Mr. Bellar).

Let's walk with each other to meet Jesus.
